Hi [REDACTED]

As you are aware Juneau County Health Department has conducted its only sampling of private wells and is interested in obtaining the sample results that EPA collected on May 3rd. Barb Theis is asking if you would send the results to her by e-mail at btheis@co.juneau.wi.us. If you have any questions, you can contact me at 312-886-1463 or by e-mail at Burdett.cheryl@epa.gov or Barb Theis at 608-847-9373.
